Dear Sir/Madam

I would like to apply for the Web Developer Intern at your company. I believe my skills and experience align well with this position, and I try to learn from the teamwork and research to develop myself and the company.

I am proud to work for your company because it is a standard one. I have long satisfied your company, and I hope my future will be bright if I can work for your company. I await your response, and I am available to attend the interview at any time that is convenient for you. And I also hope that I will be selected for the position

Best Regards

Som Sokraksa
